

"I continue to use SKK Design because I think they're very professional, they provide a good level of detail on their drawings which makes it easy for us to cost and project and manage and also helps the contractor to build and they're also very user friendly they are people that you can speak to and they understand where you're coming from and react accordingly."

Paul Lawson, Managing Director, Cumming International

POLO RALPH LAUREN SWINDON DESIGNER OUTLET (2001)

CLIENT Polo Ralph Lauren | CENTRE McArthur Glen | VALUE £150,000
ROLE Architectural Design, Technical Design, Liaison with Landlord

SKK Design worked with PRL on many outlet fit out schemes across Europe on both Jeans Stores and standard clothing stores. The design was skilfully developed to incorporate the PRL look to the intricate spaces offered.
