

**“We entrusted SKK Design with our new Leeds office. We had strict timelines that needed to be met including a 4 week construction programme. We were extremely impressed with the professionalism shown by the SKK team throughout. The management of the tenders and contractor, the liaison with the landlord and the choice of furniture, giving us fantastic agile working options, has been a total success. We are all delighted with the end result and would recommend SKK Design without hesitation.”**
